AGENDA

1:00 pm - 2:30 pm: The Importance of School Culture & Climate - Beverly Kingston

Creating a positive school culture and climate is critical for school safety. This presentation will describe the qualities of a positive school climate and teach how school climate impacts school safety. Participants will learn how school climate can be assessed and best practices for enhancing their school's culture and climate.

2:30 pm - 2:45 pm: Break

2:45 pm - 4:15 pm: Digital Threat Assessment - Current Trends + How to Identify and Assess Online Threats - Theresa Campbell

Safer Schools Together (SST) provides your Safety / Threat Assessment teams with the tools needed to identify if an individual is on the pathway to violence, homicide, suicide, radicalization, or gang-associated behavior.

Nearly 90% of today's threats are communicated digitally. Digital Threat Assessment® (DTA) training provides participants with direct skills and tools that are effective and can be utilized immediately by your teams. You will learn how to identify digital leakage, check to see if the individual has access to the means to carry out a threat, and proactively reduce the potential of violence within your community.
